

PLANETA ROJO SYRAH 2021

VINEYARDS

FRAY LUIS BELTRAN, MAIPU, MENDOZA

VARIETAL COMPOSITION

100% SYRAH

ANALYSIS

Alcohol: 13,40 % Vol

Total acidity: 6,65 g/l (tartaric acid)

Residual sugar: 2 g/l

pH: 3,80

TASTING

A vivid and deep violet colour, with a unique glow. It has aromatics notes characteristic of ripe fruit (blackberry), with a tobacco aftertaste and smoky notes.

On the palate, the Syrah is a young and fruity wine with a distinctive acidity that makes it fresh and perfectly pairable with pasta and red meat.
